Under the Snow by Melissa Stewart

Winnie Finn, Worm Farmer by Carol Brendler

The Chickadee Award: A Maine Children's Choice Picture Book Project

2010-2011 will be the seventh year of this exciting picture book project for children in kindergarten through fourth grade. Our goal is for students to develop an appreciation of outstanding writing and illustrations in current children's picture books by participating in this program. We hope they will become discriminating readers by voting for their favorite books. The winning book for 2009-2010 was *The Wolves Are Back* by Jean Craighead George.

TO PARTICIPATE

All schools, libraries and home school groups in the State of Maine are encouraged to share the ten books on the list with K-4 aged children and submit votes by April 1, 2011. A booklet of suggested activities will be available online at chickadeeaward.org in September, 2010. For further information contact Mary Hazelton
